S/Y Happy Days

52ft Lagoon Catamaran

I had the pleasure of engaging Eric Pearson as the skipper for my yacht's delivery from Airlie Beach to Adelaide. Throughout the entire journey, Eric demonstrated exceptional professionalism, skill, and leadership. His extensive knowledge of navigation, weather patterns, and safe sailing practices ensured that the delivery was not only successful but also smooth and efficient.

Eric's calm demeanor under pressure and ability to manage both the crew and the yacht made the entire experience stress-free. His attention to detail in managing the vessel's upkeep, as well as his communication, were top-notch. I felt completely confident in his abilities from start to finish.

I highly recommend Eric Pearson for any sailing or skipper needs. His expertise and dedication are unmatched.

Sincerely,

Wally McDonald
